

# SYLVANIA Hi-PerformanceLED™ Downlight Gimbal SPOT ON!

The SYLVANIA Hi-PerformanceLED Downlight Gimbal is a new generation of downlight luminaire. Created with a modern looking slim profile that enhances any contemporary environment, its rotating gimbal feature allows for precision light placement using a narrow beam angle of 45°. Its high color rendering of CRI 90 plus dimming capability (10%-100%) and five selectable color temperatures means this luminaire will adjust to fit any lighting challenges. Highly durable, this luminaire provides 88% energy savings over traditional technology and comes with a 5-year warranty. Ideal for residential, hospitality, retail or any low bay application.
