

MODERNIZE YOUR FACILITY

CCT SELECTABLE LINEAR SLOT

The LEDVANCE CCT Selectable Architectural Linear Slot fixtures are the perfect balance between modern, elegant design and high quality linear light. Customers can choose between surface, pendant or recessed mounting and direct only or direct plus indirect lighting to create the perfect ambient lighting to fit the application needs. The new 2ft, 4ft and 8ft products are also interconnectable and 3000K, 3500K or 4000K selectable. To help further support the creation of modern and sophisticated designs with our Value Class Linear Slot portfolio, we are happy to announce a line extension in our suspension kit with canopy accessories. The canopy accessories comes in black and white finishes, as well as circular and square bases. Customize your space for every unique install.
