

# ILLUMINATE YOUR RETAIL SPACE

## TRACK LIGHT

The LEDVANCE Performance Class Track Light is 4-CCT selectable and designed to offer high-quality illumination in commercial and industrial applications. Offered in a variety of fixed beam angles and wattages, we will also offer zoom technology - an addition that allows for customized beam angles enabled by twisting the head of the luminaire. Our product family represents most application needs and includes optional accessories in black and white finishes. Ideal for direct replacement of traditional luminaires or for illuminating retail, hotels, restaurants and more.
