

INDUSTRIAL FAN WALL MOUNT

FEATURES AND BENEFITS

- 615mm fan blade
- 150W with efficient Motor for saving electricity
- Robust Product Material: Metal Mesh Cover with Aluminium Blades
- Strong Air delivery: 6970 m³/h
- Air supply distance: 9m
- Air speed: 6.9 m/s ±10%
- Speed control method: 3 speed (0-1-2-3) controlled via a push-button drop-down switch
- Rotation speed: 1,400 rpm
- Left and right rotation angle: 45° (Oscillating head)
- Up and down rotation angle: 15°
- Low Acoustic noise design: ≤75 dB (A)
- With 2m flex and plug
- 2 year warranty
